

## Phoenix Dynasty 2 - Starter Package Ativador Download

Download ->>>>>> <http://bit.ly/2NG26XO>

### About This Content

This package is specially designed for beginners. It contains features such as various Upgrading Stones, XP boosters to earn experience points faster, and the bag enlargement pack to keep more items in your inventory. What's more, players who have got bored of jumping from one quest to another can use the Quest Parchment, Seven Culvert Stones, and Mirage Pearls along with a unique mount to explore the breathtaking locations in the Nine Realms much more smoothly!

The package will automatically be transferred to your account after your purchase. To acquire it, click the "Gift" button that will appear on the top left of the screen.

**Remember! You can buy this package only once per account!**

---

I buy a starter pack , havent recieved it .and cant seem to find any help to get it.. I bought this in hopes that it would apply to each new character I made. Warning to those purchasing in the future with this same hope: it does not. Before accepting it as a gift, please make sure you want to use that particular character as your main. :\\
